Re: Sandler Systems, Inc. v. Buhler; Civil Action No. MJG-02-1942

Dear Judge Garbis:

Confirming my advice to Ms. Whitmore today, in order to facilitate a possible settlement of this case, Sandler Systems, Inc. has agreed to extend the date by which Defendants must respond to the Complaint to and including September 9, 2002. I also note that Sandler Systems has reached a settlement with one of the Defendants, Professional Duplicating, Inc. d/b/a Infinity Publishing (publisher of the Second Edition of The Selling Safari). The settlement documents are being prepared now.

The remaining Defendants are the three "Buhler defendants," Alan C. Buhler, Achievement Strategies, Inc. and Sales Research and Consulting (all represented by Mr. Hosch) and High Mountain Publishing, publisher of the First Edition of the Book, whose principal is Ms. Adair. Sandler has been in communication with these parties and we hope to know prior to September 9 whether or not further amicable resolutions can be reached.

We thank the Court for its consideration.

Respectfully yours,

Allan P. Hillman
